

02 September 2025

Our company organized a summer corporate event for a client at Teatro Gdynia, and we were truly impressed with the experience.

The restaurant team did an excellent job at every stage - from the initial communication to the flawless execution on the day of the event.

The atmosphere was wonderful, the service attentive, and all arrangements were handled with great professionalism.

Special thanks to Kamil - thanks to his dedication, responsiveness, and ability to anticipate our needs, everything went smoothly and without any worries.

We sincerely appreciate the team's hard work and would be happy to cooperate again in the future.
